

# Programmer des alertes dans l'inventaire (1)

Cliquez sur « Inventory » puis choisissez le type voulu : ici les anticorps

Puis cliquez sur l'échantillon où vous voulez fixer une alerte

The screenshot shows the Labguru interface with the 'Inventory' menu open. A red arrow points from the text 'ici les anticorps' to the 'Antibodies' option in the menu. The menu also includes options like Shopping List, Consumables, Antibodies Eric, Bacteria, and others.

The screenshot shows the 'Antibodies' inventory page. A red arrow points from the text 'Puis cliquez sur l'échantillon où vous voulez fixer une alerte' to the 'anti-alpha-Fetoprotein (AFP) antibody' entry in the table. The table lists various antibodies with columns for SysID, Name, Clonality, Raised in, Created at, Application, and Location.

SysID	Name	Clonality	Raised in	Created at	Application	Location
AB-17.0001	anti-alpha-Fetoprotein (AFP) antibody	Polyclonal	-	2017-06-26	Immunohistochemistry (Frozen Sections) (IHC (fro)), Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)), Western Blotting (WB)	3 Tubes
