The screenshot displays the Labguru interface for a project titled "Au Dodo les petits" by Fanny Brizzi. The interface includes a header with the project name and user, and a toolbar with buttons for "New Experiment", "Print", and "More". Below the header is a "tag this item" section and a "Description" field. A navigation bar contains tabs for "Progress", "Attachments", "Key Papers", "Samples", "Notes", "Documents", "Calendar", and "Gantt". The "Progress" tab is active, showing a "Start date: No start date selected" and a "+ Add Folder" button. The progress section is divided into "Completed" (0) and "In Progress" (1). Under "In Progress", there is a sub-folder "TEST" (highlighted in green) with a "Due date: ---" and a "TEST" folder containing "sous dossier1". At the bottom, there is a link to "2020-12-06 - Fanny Brizzi's Experiment 002 (id: 1535)".

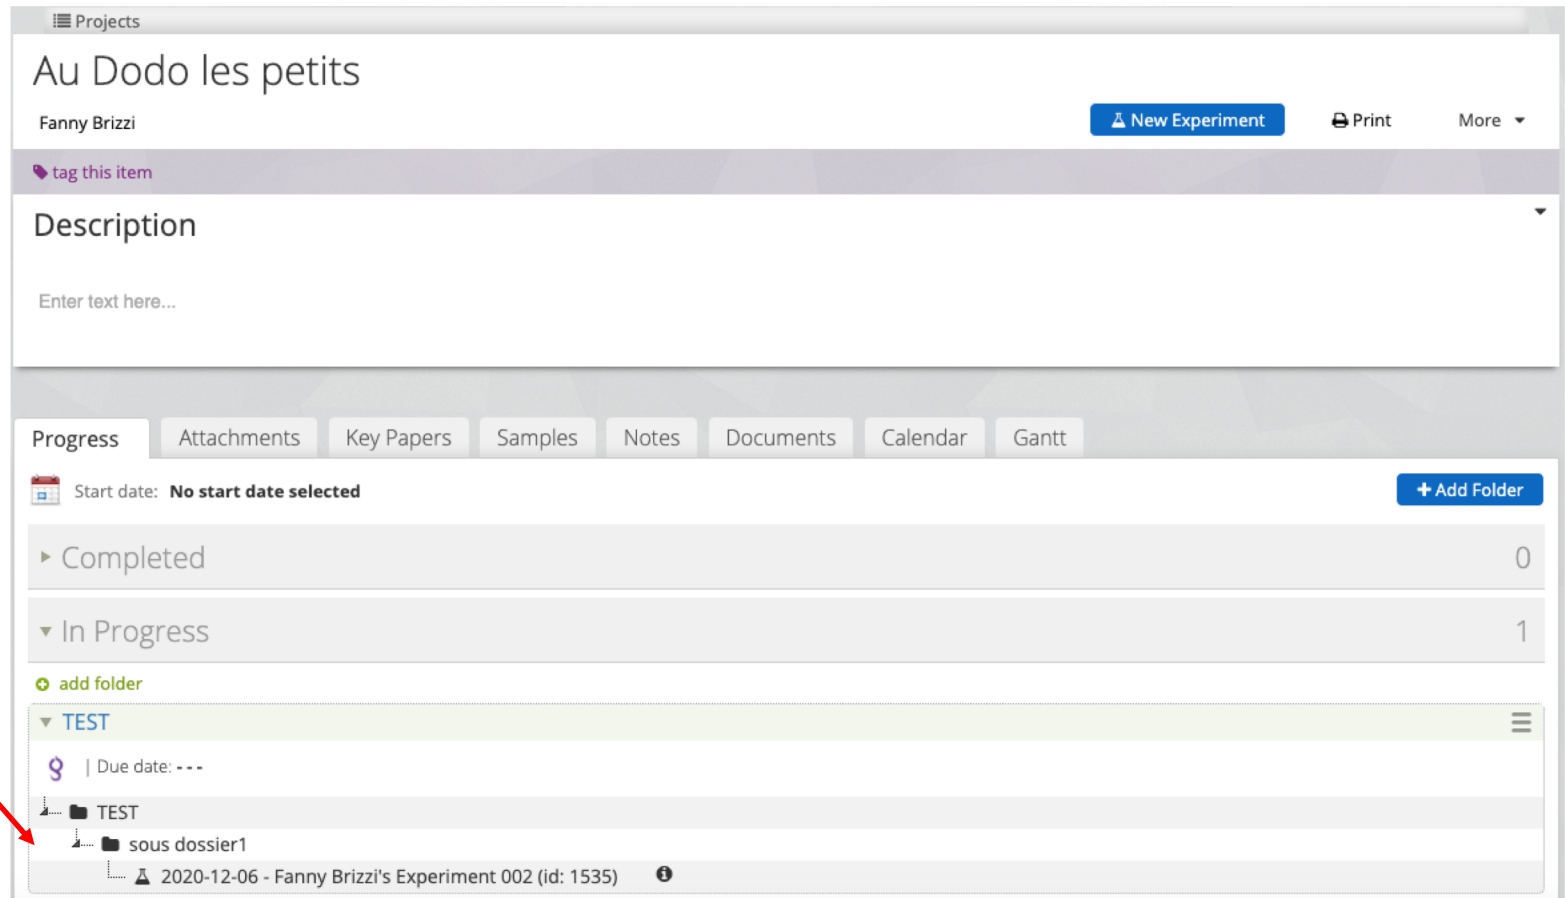

# Création de sous-dossiers au sein d'un projet (2)

The screenshot shows a project management interface for a project named "TEST 2". At the top, there is a header with the project name and a user profile "Fanny Brizzi". Below this, there are fields for "Due date: No due date selected", "Start date: Dec 06, 2020", "Duration (days): 0", and "Progress: 0/0" with a 0% progress bar. A "tag this item" button is also visible. The main content area is titled "Description" and contains a text input field with the placeholder "Enter text here...". Below the description, there is a navigation bar with tabs for "Experiments", "Figures", "Notes", and "Folders". The "Folders" tab is highlighted with a red circle, and a red arrow points to it from above. At the bottom, there is a table header with columns: "Created at", "Updated at", "ID", "Name", "Project", "Owner", "Start date", and "End date".
